It's Freight Rover Trophy time again and I'd be lying if I said our thoughts in the dressing room never go back to last May. Of course they do. Every player dreams of walking out at Wembley, be it in a Cup Final or on International duty. For 12 of our squad that ambition was realised against Bristol City and you can bet your life we'd all like to do it again.

It meant a lot to the players

Phil Neal Notebook

and we know exactly what it meant to you to have your team competing in a Final in London.

Well we're back on that Wembley trail again tonight against Blackpool and although there's a long way to go we'll be giving it our best shot.

We go into tonight's game with the knowledge that we've already got a result over Blackpool in the League. It was a hard won victory and tonight's match will be none the easier for that. Cup football of any kind is never easy as we found in our encounters with Halifax over the past fortnight.

On a more serious note let me add my support, along with that of all the playing and coaching staff, to the Club's campaign to rid Burnden Park of the bad language that is on the increase.

I assure the guilty ones that you are doing us no favours with your chants. They're not even humorous or clever. I've said many times on this page we need you to cheer and encourage US. Forget THEM!

Bolton Wanderers Football Club is a team and that includes supporters lottery agents, programme sellers and everyone with Wanderers at heart. Let's pull together as a team. Your job is to encourage the players on the field; in return we'll do the business for you.

BLACKPOOL OUT TO IMPROVE F-ROVER RECORD

by Tony Pullein

Though Blackpool's main objective this season is to clinch promotion to the Second Division, they set out tonight to try and improve their very poor record in the Freight-Rover Trophy.

The Tangerines have won only one of eight games played in this competition. And they have been beaten in all five away ties!

This season, of course, they are a slightly different proposition. In the League they have been beaten only twice away from home and

one of those defeats came here at Burnden Park where they went down 0-1 in October. They later lost at Gillingham (1-2).

Blackpool have won at Fulham (1-0), Swindon (6-2) and Middlesbrough (3-1) and drawn at Doncaster (2-2), Bristol Rovers (2-2) and Brentford (1-1).

They were surprisingly knocked out of the Littlewoods Cup in the first round by Fourth Division Preston. After being held to a goalless draw in their home-leg, they went down 1-2 at Deepdale.

They also took an early exit from the F.A. Cup, going out at Middlesbrough (0-3) in the first round.

Blackpool were once a very famous First Division club and, after dropping all the way down to Division Four and being forced to apply for re-election in 1983, they are now moving upwards again.

It was in 1985 when Blackpool took runners-up place in Division Four to take their first step back. Last season they held their own in the middle of the Third Division and now they are hoping to maintain their impressive early-season form so that further promotion can be achieved.

Older fans still recall the glorious days of the early post war years when Blackpool were one of the most successful clubs in the country.

They reached Wembley three times in five years and, after losing to Manchester United in 1948 and Newcastle in 1951, they returned to face us in the 1953 final.

Back Row (left to right): A. Dyer, K. Stonehouse, N Law, C. Methven, C. Greenall (Now Gillingham), B. Thomson, S. Morgan.

Middle Row (left to right): P. Stewart, D. Moore, B. Siddall, P. Harrington, W. O'Rourke, R. Sendall, P. McGinley.

Front Row (left to right): K. Taylor, M. Davies, E. O'Keefe (Retired), M. Walsh (Captain), J. Deary, B. Butler, N. Matthews.

Tagged the "Stanley Matthews final", Blackpool looked well beaten when they trailed 1-3 at one stage. Then the Wanderers, with a man injured in those pre-substitute days, started to struggle and Blackpool recovered to win 4-3 with Matthews creating the winning goal in the last minute.

The club was formed in 1887 and they entered the Second Divisions of the Football League in 1896. Though they were voted out three years later, they returned in 1900 and have since been holding their place.

Blackpool spent many years hopping between the top two divisions but it was in the years immediately after the second world war that they enjoyed their greatest successes. In addition to their F.A. Cup exploits, the Tangerines finished third in Division One in 1951 and three years later achieved their best-ever position of runners-up.

The abolition of the maximum wage really marked the end of Blackpool's era of success. They could no longer attract the best players and in 1967 they lost their First Division place. They did return for one solitary campaign at the top but the real rot started to set in during the late seventies.

In 1978 they found themselves in the Third Division for the first time. Three years later they dropped into Division Four.

Now, happily, Blackpool are heading back to the top.

SAM ELLIS (Manager). Sam Ellis took over as Blackpool's manager in June 1982 and in three years he lifted them out of the Fourth Division on the first step of their climb back to respectability.

During his playing days he was a defender, starting his career with Sheffield Wednesday. He was capped three times by the England under-23s and in 1971 he moved on the Mansfield Town. Lincoln signed him in 1973 and he made almost 200 first-team games for them before transferring to Watford in 1977. He played on for two more seasons and then joined the club's coaching staff, remaining in that capacity until getting his managerial chance with Blackpool.

BARRY SIDDALL (Goalkeeper). Barry started his career at Burnden Park, winning England youth honours. He made his debut for the Wanderers at Walsall in October 1972 and completed almost 150 League games before moving on to Sunderland in 1976. In 1980/81 he spent a loan period with Darlington and in 1982 he was signed by Port Vale. He made the short move to Stoke in 1985 and last season he moved on to Manchester City. Blackpool signed him this summer.

MIKE DAVIES (Defender). Mike served his apprenticeship at Bloomfield Road and made his League debut during 1983/84. He won a regular place last season.

NICKY LAW (Defender). Nicky completed his apprenticeship with Arsenal but didn't get into their League team. He made his breakthrough

in 1981 after joining Barnsley and he made than 100 League appearances for the Tykes before moving on to Blackpool at the beginning of last season.

MICK WALSH (Defender). Another member of the Blackpool side who started his career with the Wanderers, Mick made his League debut for us in 1974/75 and made well over 150 appearances before moving on to Everton in 1981. At Goodison Park he won the first of his five Republic of Ireland caps. During 1982/83 he spent loan periods with Norwich and Burnley and he then signed for Fort Lauderdale in the USA. Manchester City signed him in 1983 but he stayed at Maine Road for only a short period before moving on to Blackpool.

BRIAN BUTLER (Midfield). Brian is a former Blackpool apprentice who was drafted into the senior side last season.

JOHN DEARY (Midfield). John is another ex-apprentice. He played his first League games during 1980/81 and in 1984/85 was the club's top scorer with 15 goals.

ALEX DYER (Midfield). Alex spent his apprenticeship with Watford but was unable to get into their first-team. After joining Blackpool, he made his League debut in 1984 and has been a regular member of the squad for well over two years.

MARK TAYLOR (Midfield). Mark was discovered in local football by Hartlepool and he won an immediate place in their senior side following his debut in 1984. Last season he spent a short while on loan to Crewe and Blackpool signed him in the close-season. Mark was Blackpool's leading scorer with seven goals before last weekend.

BOBBY THOMSON (Forward). Bobby was signed from Hibernian. A much-travelled character, he began his career with St. Johnstone, completing more than 100 Scottish League games before moving on to Morton in 1978. Middlesbrough signed him for £175,000 in 1981 but he didn't settle at Ayresome Park so he returned to Scotland with Hibernian. He re-joined Morton later and then returned for another spell with Hibernian prior to his latest move towards the end of last season.

ALAN MAYES (Forward). Alan joined Blackpool on loan from Carlisle this season. He was originally a reserve player with Q.P.R. and started his League career with Watford in 1974. Swindon signed him in 1978 and in 1979/80 he scored 28 goals for the Robins. Chelsea invested £200,000 in his transfer in 1981 but he returned to Swindon two years later to lend their scoring list with 17 in 1983/84. Carlisle signed him at the start of last season and he also served Newport on loan last term. He had scored six times before last weekend.

PAUL STEWART (Defender). Paul is a former Blackpool apprentice and an England youth international. He made his League debut for the Tangerines in 1981/82 and two seasons later he was top scorer with 12 goals. He is currently one of the club's leading scorers, with six goals before last weekend.

SEVEN YEAR GAP

Tonight's Freight Rover Tie will certainly bring back memories of last season's first game in the competition when the Wanderers came from behind to draw 2-2 at Stock-

port in the dying minutes of the game.

That was certainly one to be savoured whilst the last occasion that the Wanderers came from behind to win an away League game was at Manchester United in April 1979. That game was also the club's last away win in the first division.

At Mansfield a week ago, the Wanderers were just two minutes away from victory, coming from behind to take the lead. Unfortunately the home side saved the game to deny the Wanderers of their second away League win of the season.

The gap was bridged with the comeback at Halifax in the FA cup last week with the reward being a visit from Tranmere this Saturday.

CHRISTMAS DISCO PARTY

There are a few tickets left for the Wanderers Christmas Disco Party on 17th December, exclusively for agents.

The tickets are free and admit two people so if you're an agent and haven't got your ticket yet hurry, hurry, hurry.

Flashback

PREVIOUS ENCOUNTERS

We welcome Blackpool to Burnden Park tonight for the second time in six weeks with qualification to the knock out stages of the Freight Rover trophy at stake.

Cup encounters between the club's go way back to 1885/86 when the Wanderers defeated South Shore 3-0, and Blackpool St John's 9-1, on their way to winning the Lancashire cup for the first time. South Shore and Blackpool St John's later joined together with another Blackpool club to form today's club.

In 1887 Bolton defeated South Shore 5-3 in the first round of the cup and followed this up nine years later with a 2-0 win at Blackpool in the same competition. The Wanderers also inflicted FA cup defeats on tonight's visitor's in 1912 and 1927 but in 1953 the tables were turned. Blackpool came from 3-1 behind to win the final that year and also won a third round tie at Burnden in 1957.

In the Football League, our paths first crossed in October 1903 at Bloomfield Road. A crowd of 6,000 saw Stokes give Bolton the lead in the tenth minute only for Pentland to equalise soon after. Stokes, Marsh and White netted for Bolton in the second half as they ran out 4-1 winners. This set Bolton on an undefeated spell of over forty five years at Bloomfield Road which ended with a 1-0 defeat in February 1949.

More recently the last game between the sides at Burnden six weeks ago, produced a stirring game, with Steve Thompson, who hails from Blackpool, netting the winner for Bolton. The crowd of 6,534 that evening is the best so far at Burnden this season.

Our League record against Blackpool is as follows:

	PL	W	D	L	F	A
HOME	39	21	7	11	64	40
AWAY	38	11	13	14	46	51
TOTAL	77	32	20	25	110	91

15 YEARS AGO

4th December 1971. The Wanderers goal famine continued with a 1-1 draw at home to Brighton. Willie Irvine gave the visitors a 39th minute lead but three minutes later, a speculative shot from Roy Greaves was fumbled over the line by Brighton keeper, Brian Powney. This was only the second goal scored by Bolton in the previous six weeks.

Earlier in the week the Wanderers youth team had defeated Barrow 6-0 at Holker Street in the second round of the FA youth cup and Arthur Marsh joined Rochdale for £5000.

10 YEARS AGO

1st December 1976. Bolton produced one of their most memorable performances in defeating first division Derby County 2-1 at the Baseball Ground in the quarter finals of the League cup.

Derby had taken the lead seven minutes from half time, Charlie George scoring from the penalty spot, awarded for handball by Roy Greaves. Neil Whatmore headed the equaliser in the 56th minute and thirteen minutes from time he hit the bar but Willie Morgan was on hand to slam home the rebound.

The Wanderers reward was a two-legged semi final with Everton.

5 YEARS AGO

5th December 1981. David Hoggan scored his first goal of the season, 12 minutes from time, to give the Wanderers victory over QPR at Burnden.

The Londoners were without million pound striker, Clive Allen, but still had the better of the exchanges. Wayne Foster, playing his first full game for the Wanderers at Burnden, set up the winner for Hoggan, which was only Bolton's second goal in five games.

Frank Worthington was placed on the transfer list at Birmingham creating speculation that George Mulhall was about to bring him back to Burnden.

Wanderers

OUT

There is a sickness on the terraces and in the stands at Burnden Park that we are determined to stamp out.

The time has come to call time on the foul and abusive language and rid ourselves of the louts who are bringing shame on the name of Bolton and the Wanderers in particular.

Despite appeals to their better nature, the words and actions of these ill-mannered louts have already driven thousands from our terraces. Thousands more self-respecting men, women and children are still being subjected to obscene chants week after week.

NO MORE!

If you are one of those who doesn't give a damn for other people then our message couldn't be clearer.

YOU ARE NO LONGER WELCOME AT BURNDEN PARK.

The manager and the team don't need you and the rest of us don't want you.

We will no longer suffer in silence while your foul language echoes around this famous old ground.

Officials of Bolton Wanderers have already made contact with the responsible leaders of our supporters groups. They in turn have pledged wholehearted support in weeding out the

ACTION

WITH THE LOUT

unwelcome element. We must all act together in a concerted effort.

Those of you who are forced to sit or stand among the mindless groups can play a vital role by pointing our offenders to us.

If you don't want to get involved personally then write or telephone us with your information. Tell us where you are located on match days and the sort of problem you are experiencing. We will take action.

This afternoon we have 170 children at the game as guests of the Club under the Football in the Community scheme. What chance does this admirable exercise have of working while the louts are left unchecked?

Last May we returned from Wembley with praise for the impeccable behaviour and sportsmanship, shown by Bolton and Bristol City supporters, ringing in our ears. Less than 10 weeks later we were shamed by the disgraceful scenes at Fleetwood in what was supposed to be a pre-season 'friendly'.

As one of the two oldest professional Clubs in the Football League we have a long and proud history. Let's add another first to our list by cleaning up our terraces either voluntarily or through positive and combined action.

As far as Bolton Wanderers is concerned our prime objective off the field must be... **OUT WITH THE LOU!**

OCT 11th. Bolton earn their first away point of the season in a 3-3 draw at Walsall. Steve Thompson and Tony Caldwell fired the Wanderers into a two goal half time lead but the home side hit back and were level within fifteen minutes of the second half. OCT 16th. Wanderers reserves hammered Blackpool 6-1 at Burnden.

OCT 17th. Wayne Entwistle signs for Stockport County after a loan period with Burnley.

OCT 18th. The Wanderers go down to a goal from Andy Williams at Rotherham where the home side had keeper, Kelham O'Hanlon to thank, for a number of good saves to deny Bolton.

OCT 21st. A goal from Steve Thompson after nine minutes is enough to earn Bolton victory in the derby with Blackpool at Burnden.

OCT 25th. Draw specialists Chester keep up their record with a 1-1 draw at Burnden. Steve Elliott fired Bolton into a first half lead but the visitors equalised through Peter Houghton.

OCT 30th. Nat Lofthouse is made president of the club he first joined in 1939.

WANDERERS DIARY NOVEMBER

NOV 1st. The Wanderers win their first away game of the season 2-1 at Brentford, ending a run of eight years without a win in the capital. Mark Gavin scored his first goal of the season to give Bolton the lead which lasted only two minutes, Paul Maddy scoring from a free kick. Steve Thompson hit the winner for the Wanderers fifteen minutes from time.

NOV 5th. A 0-0 draw resulted at Middlesbrough with the Wanderers being the first side to prevent the home side scoring on home territory this season.

NOV 8th. Bolton crashed to a 1-0 home defeat at the hands of Newport County. The winner came from debutant, Millett, in the 58th minute.

Reserve Report

22nd November 1986. FA Youth Cup 1st Round Replay. Bolton Wanderers 1 Oldham Athletic 2

The Wanderers interests in the national youth cup competition disappeared for another year with an erratic display against Oldham.

The Wanderers certainly had the better of the early stages and if Paul Griffin had converted, when he found himself clear, after only four minutes it could have been different.

Shots from Griffin and Mark Raven went just wide of the target but in 25th minute Oldham took the lead when

Ryan Price failed to hold a shot from Bob Monaghan and Ashley Hughes turned it into the net.

The nearest the Wanderers got to pulling the goal back in the first half was when a Chris Banks header went just over the bar from a Mark Raven corner. Oldham went two up three minutes from half time when Neil Edmonds turned in a Steve Morgan cross and a minute later Chris Joughin was booked for dissent after fouling Mark Raven.

A double substitution by Bolton in the 78th minute sparked new life into the side and a minute later a 25 yard screamer from Paul Hughes reduced the arrears. Three minutes later Hughes was cautioned for fouling Morgan and he was again on hand two minutes from time to clear off the line. Indeed the full back had been closest to saving the game for Bolton with his powerful shooting.

Team: Price, Hughes, Brookman, Callaghan, Boyle, Banks, Booth, Raven, Griffin, Senior, Mullineux. Subs Higgins for Callaghan. O'Brien for Raven.

John Senior and Ian Mullineux battled hard up front for the young Wanderers.
